

A Guide for CorpPass users: Set Up CorpPass 2FA for Foreigners

This guide is for you if...

1.

You are a foreigner (no [SingPass](#)), and have already activated your CorpPass account

2.

You have not set up CorpPass 2FA for Foreigners

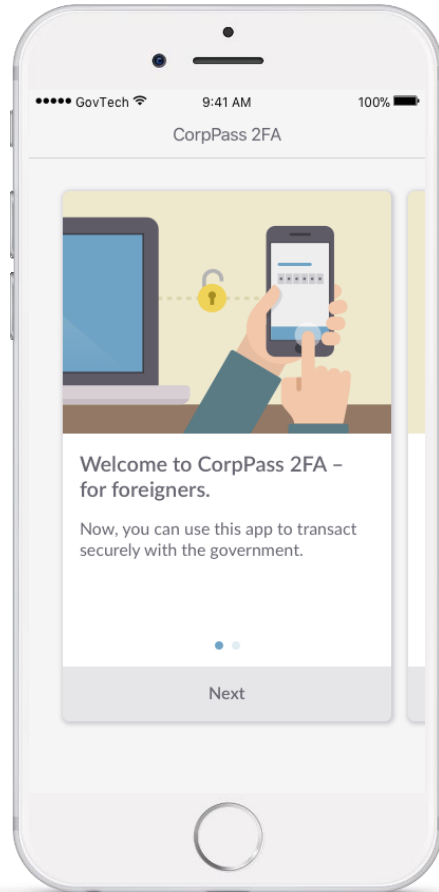

OR

You have lost / changed your mobile phone, and would like to set up CorpPass 2FA for Foreigners again

Let's get started!

INTRODUCTION: CorpPass 2-Factor Authentication (2FA) for Foreigners

What is it?

A mobile application for two-factor authentication to log in to your CorpPass account.

Why do you need it?

It serves as an additional security measure to ensure access to your CorpPass account, meant for confidential business transactions, is well-protected.

Where can you download it?

Search for '**CorpPass 2FA for Foreigners**' on [Apple App Store](#) and [Google Play Store](#). Download is free!
